# TRADITIONAL IRISH DANCING SECTION

## Saturday 22nd & Sunday 23rd June 2024

**ADJUDICATOR:** Bernadette Whelan A.D.C.R.G

Bernadette gained her TCRG in 2000 and began teaching alongside her mother, Maureen Whelan, at the Dwyer Whelan Academy of Irish Dance - Australia's longest running Irish Dance School. During these years the school has produced many NSW State and Australian Champions and has had dancers place in the top 5 at the World Championships and other major International Feiseanna. In 2013, Bernadette qualified as an A.D.C.R.G.

"It is an honour to be back judging in Christchurch and I wish all of the dancers the best of luck."

@dwyerwhelanirishdance

**MUSICIAN:** Brendan Dougan-Kittel

Brendan started dancing with the Miller School of Irish Dancing at age 8. After receiving his first accordion as a Christmas present at 10, Brendan began an ever-growing music journey picking up tunes from a range of artists, genres & cultures, the most prominent being Irish Traditional (Ceol Gaelach). After playing his first feis in 2019 Brendan began making a name for himself within his hometown of Adelaide, and later playing for local feisanna, regional and national competitions. With the option of playing accordion, keyboard and multiple other instruments, Brendan is set on expanding his sonic palette with a variety of new sounds while maintaining the traditional roots of Irish dance music. In his spare time Brendan enjoys composing, arranging & producing music and regularly plays lead guitar in an experimental heavy rock band within the local music scene.

Brendan wishes all the best and good luck to every dancer.

**PHOTOGRAPHER:** Vincent Mortimer

Vincent has been photographing Irish Dancing Competitions in New Zealand since 2015 at both local and national competitions. He has been accredited to the World Championships twice and photographed at overseas competitions.

A wide selection of Vincent's Irish Dancing photos showcasing New Zealand Irish dancers and competitions can be found on Instagram at @irishdancenzphotos.
